Washing Feet

Jesus knew that not everyone liked him.
He knew the leaders were angry with him.
In fact, they were so angry and so jealous,
they wanted to kill him.
And Jesus knew that, too.

One night, they all got together for dinner.
While they were eating, Jesus got up.
He put a towel on like an apron.
He poured water into a large bowl.
Then he began to wash his friends' feet.

473

When Jesus got to Peter's feet,
Peter said, "I cannot let you wash my feet."
"If you don't let me wash your feet,
you can't follow me," said Jesus.
"In that case," said Peter, "wash my hands
and my head, too!"

474

After Jesus washed his friends' feet,
he asked, "Do you understand what I did?
I showed you how to be kind to each other.
I am your Lord and Teacher.
If I can be kind and help you,
then you can be kind and help each other."
