Easter Week – April 7-9

April 7-9 we'll be learning about the wonderful Easter story. You can make Resurrection Eggs at home. Have your preschooler tell you the story of Jesus! Then make our Colors of Faith necklace. We were going to have our "He's Alive!" Easter party on Thursday – maybe you can create your own at home!!

April 12 Happy Easter!

"Letter W Week"

During W Week we'll learn about watermelons, weather and working. If you're ordering groceries this week, see if you can order some Watermelon to try. Wednesday we'll learn about the weather. Search www.education.com for some preschool weather projects!!

On Thursday, April 16, we'll learn about people at work. On that day, we usually have all the preschoolers dress in what they want to be when they grow up. Feel free to do this at home!! We'd love to see your pictures!! Please email them to Mrs. Lane at karen.lane@okolonacc.org or text them to my cell 502-314-1083.

Another idea would be to have your child write or color a thank you note to some of the wonderful people around you who are continuing to work so hard! i.e. postal carrier, garbage collector, or someone in the medical field.

"Letter X Week"

During X week, we'll look for Exit signs, learn about X-rays and make a big Oval Man!! On Tuesday, the 21st, you can color our own EXIT sign. You could even make a sign for each Exit in your home! On Wednesday, look at an X-ray and see if you can make one. Thursday you can make Oval Man!!

"Letter Y Week"

We'll start this week by gluing some Yarn on the letter Y. On Wednesday, you can learn about the number 11 and find 11 of something. On Thursday, we'd like to have Kentucky Day! Even though the Derby has been moved to Saturday, Sept 5, feel free to talk to your preschooler about living in Kentucky and some of your favorite parts. If you dress up, remember to send a pic to Mrs. Lane!!

**Join OCC for worship every Sunday
at 9:30 and 11:00 on FB or on their website:
okolonacc.org**

As far as we know, preschool will probably be closed thru the end of the school year. **So there will be no more Tuition payments needed.** However, the Preschool Calendar, newsletter, curriculum, worksheets, coloring sheets and craft ideas will continue to be on the Preschool Webpage until the end of the school year. We love you all very much and are so saddened at our abrupt farewell. Who could've known this would happen?!! Maybe, one day this summer, we can get together and have a fun day!! That would be so nice!!

Happy April Birthdays!!

April 7 – Liam Fleck
April 24 – Audrey Sanders
April 28 – Knox Beeler
April 28 – Mrs. Essex
April 29 – Gabriel Thomas
April 30 – Callie Wisdom

Let's Do Lunch!

During the month of May, the children in the Four year old's classes usually practice bringing their lunch to school. You can still do this at home! Have them practice opening their containers every day at lunch so they'll know how to do it this Fall. Talk to them about eating quickly as most Kindergartners have about 20 minutes for lunch. Let them clean up and take care of it themselves! They're growing up so fast!!

Registration open for 2020-2021 School year!!

Tuition will be \$140 a month with a one-time yearly \$100 registration/supply fee. If you are reregistering for this Fall, please get all your forms and monies in by the end of April. Hurry as spots fill up fast! Visit our website www.okolonacc.org for our calendar & newsletter each month and for a copy of our new 2020-2021 handbook and registration forms.

Also, if you have any friends or family with preschoolers, we'd love to have them! Just let us know and we'll give you a handbook for them!!
