Welcome to Baking Through the Bible!

Baking Through the Bible is a fun theme month for families and children to do at home!

Each day will focus on the following:

- Bible Verse of the Month
- Family Devotion
- Color of the Week
- Bible Memory Verse of the Week
- Bible Story Recipe
- Baking Through the Bible Art
- Baking Through the Bible Craft
- Baking Through the Bible Family Activity
- Recipe of the Week

Make sure to capture photos of these activities! Take pictures each day of you and your family doing some of the activities. If you are doing this with your church, send these photos to your church leader for them to share on your church's social media. If you are doing this with just your family, have a parent share these on their social media. Have fun!
