Bible Study Method

Pray, asking God for guidance through His Word and to eliminate distractions.

Read the passage/chapter and find one thing that jumps off the page as you read.

S | Scripture: Which scripture(s) stuck out the most? Write it down. Be creative! Feel free to doodle or draw a picture.

O | Observation: What does God seem to be revealing to you through it? Do any words or phrases stand out? Do some research, look for historical context. Who is the author talking to? Who is it about? What do you think about this verse?

A | Application: How can you apply this truth to your life? Are there areas in your life that don't line up with this truth and need to change? Have you seen any growth in this area?

P | Prayer: Pray for wisdom to understand this passage and the courage to apply it. Thank God for His blessings and opening your eyes to His truths.
