

August 18| InterVarsity Christian Fellowship at U of L

InterVarsity Christian Fellowship at the University of Louisville is an inter-denominational Christian group on the U of L campus which welcomes International Students and helps to ease their transition to the States. In addition to transition resources, it offers opportunities for students from all religious and spiritual backgrounds to study the Bible in small groups and to meet in larger group settings for prayer, worship, teaching, and fellowship.

- Pray that the new students will be open to the Gospel message.
- Pray for more volunteers to welcome new students as they arrive in Louisville, including providing transportation, temporary housing, and guides to the community.
- Pray for groups to provide meals, transportation, and other assistance for various special events held on and off campus.
- Pray for the strength and boldness of those students who become Christians.
- Pray for the new Christian students as they return to their own countries that they might be bold witnesses for Christ.
- Pray for more Christian families to welcome the students into their homes and show them the love of Christ.
- Pray for additional financial resources to expand the scope of the ministry.

Prayer: Pray that InterVarsity and its volunteers will show the love of Christ to the international students that are coming to the University of Louisville from all over the world.
