

August 25 | International Mission Fund (Jerry & Aleta Kennedy)

Jerry and Aleta Kennedy have served in Cape Town, South Africa, for over 30 years. Cape Town is a melting pot of cultures, languages, and religions. The Kennedy's ministry focus is on evangelism, church planting, and leadership training. They are working with several house churches as well as a congregation that they helped establish over 20 years ago. Jerry also teaches at the Bible Institute which provides leadership training for church leaders.

- Praise God for the Kennedys' faithful service and pray for many to know Christ because of their efforts.
- Pray for racial harmony within South Africa.
- Pray that the churches will be unified regardless of culture and race.
- Pray that the South African church leaders will take on more leadership roles in preparation for Jerry and Aleta's return to the states.
- Pray that the children that Aleta has taught will grow in their faith and become leaders both in their communities and their churches.
- Pray that the students at the Bible Institute that Jerry has taught and mentored will become the future Christian leaders.

Prayer: Pray that the churches will continue to grow and that the people will take on more leadership responsibility so that the Gospel can continue to spread.
