

August 26 | Kagoshima Christian Mission (Walter & Mary Maxey)

Walter and Mary Maxey have been ministering in Japan for over 50 years. They live in Kagoshima City, which is located on the southwestern peninsula of the main island of Kyushu. Walter preaches regularly at several churches, serves as a prison chaplain, manages a Christian bookstore sponsored by the mission, and serves as a Trustee of Osaka Bible Seminary which trains new Christian leaders. Both he and Mary also teach English Bible classes, and Mary is involved with women's Bible Studies and children's ministry.

- Praise God for the Maxey's 50 years of service in Japan and pray that the seeds they have planted will continue to grow and prosper.
- Pray that the Spiritual darkness in Japan will be defeated and the Gospel seeds planted by various missionaries for over a hundred years will take root and grow.
- Pray for Osaka Bible Seminary as they continue to train Christian leaders for Japan.
- Praise God that Walter and Mary can share the Gospel message as they teach English to the Japanese.
- Pray that God will meet all of the Maxey's financial needs and continue to bless them with good health.

Prayer: Pray that God will overcome Japanese culture and traditions and open the hearts and minds of the Japanese people to be receptive to the Gospel message.
