

August 29 | Orchard Group – Church Planting

Orchard Group is a church planting organization that seeks to connect church planters and generous partners in planting churches in cities around the globe. With a recent merger with Restoration House Ministries, they now have a division focused on church planting in New England, one of the least reached areas of the United States. Currently, they are working on projects in Tampa, FL, Ferguson, MO, Fairfield, CT, Camden, NJ, Oakland, CA, and West Palm Beach, FL.

- Pray for God to raise up more Christian leaders who desire to plant churches in the most difficult areas of the country.
- Pray for the funding to support the various church plants.
- Pray for guidance for Orchard Group's leadership and specifically for Tanner Green who heads the New England division of Orchard Group.
- Pray for guidance for OCC's leadership as we consider where God is leading us to partner in planting another church.
- Pray that God will open the hearts and minds of the people in the communities where new churches are being planted so that they will be open to the message of the Gospel.
- Give thanks for the part that OCC has played in planting churches in Middletown, RI, and Merrimac, NH, both of which are now thriving.

Prayer: Pray for more church planters and more financial resources to support new church plants in unreached areas of the United States.
