

## September 1 | Team Expansion (Cory & Cassidy Fountain in Central Asia)

The Fountain family serves in a city in Central Asia with the vision of multiplying disciples and simple churches among the Turkish people. They desire to see a disciple-making movement that is four generations wide and four generations deep in all nine districts of their city by the end of 2024, with the entire Turk people group being 'reached' by the end of 2028. Cory coaches American football at a university in the city, which gives him a platform for being in the country as well as many opportunities to share the Gospel with young-adult Turkish men and their friends.

- Pray for a disciple-making movement in their city.
- Ask God to continue growing the Pray4Turks prayer network.
- Pray for God to bless the online Zume courses taking place around the world. Learn more at <https://zume.training/>.
- Pray for both Cassidy and Cory's aging parents' families in the U.S.
- Praise God for Yusuf's decision to trust Christ and be baptized! Ask God to continue to protect and bless him as he begins his life walking with Jesus.
- Pray for Nevzat (Yusuf's roommate), Mert, Behlül (sounds like beh-lool), and Birnur to know Jesus.
- Ask God to provide the Fountain family with a new place to live as their current apartment will no longer be available to them beginning in October. Pray for their children who do not know about the move yet and will be sad to move.

*Prayer: Pray for the team's vision of seeing a disciple-making movement in all nine districts of the Fountains' city by Dec. 31, 2024.*
