

September 2 | Team Expansion – International Services

Team Expansion is a mission organization with a goal of reaching the unreached and making disciples who make more disciples. Their home office, International Services, is headquartered at Emerald Hills, a 61-acre campus dedicated to prayer, retreat, and learning, located in Louisville, KY. International Services provides the organizational framework to send and sustain missionaries who are deployed to harvest fields around the world. Learn more about Team Expansion and International Services at teamexpansion.org.

- Thank God for the many missionary families that have visited while on furlough and for the nineteen college-aged summer interns who trained for a week in May.
- Praise God for the interns' debriefing as they returned from the field.
- Give thanks for new missionary candidates who trained with International Services staff for two weeks both online and in-person during July and August.
- Give thanks that the annual Connect Gathering for Team Expansion workers was held in person in June for the first time since Covid began its rampage.
- Praise God for His guidance for the International Services staff as they planned and executed the Connect event.
- Pray that God will make a way for Team Expansion to add training and housing wings to enhance the space needs for various trainings and events.
- Ask God to raise up more workers to fill roles in IT, facilities, finance, personnel, member care, mobilization, and training at International Services.
- Pray for wisdom for those in leadership roles and ask God to direct thoughts, plans, and actions along paths that will result in fruit for the Kingdom.

Prayer: Pray that God will raise up more workers for the harvest and that International Services can continue to provide the support and training that they need.
