

September 3 | Future OCC Mission Partnerships

This prayer guide gives a quick snapshot of many of the missions and ministries that OCC supports but our intent has always been to add new partnerships and new opportunities as we seek to help people find and follow Jesus all around the world. From the early days of OCC, some 60+ years ago, we have consistently provided support for new opportunities as they have arisen. Today is no different. As the financial resources become available, the Local Outreach Team and the National/International Mission Team desire to form new partnerships so that we can make the greatest impact possible.

- Pray for wisdom for the OCC leadership as we seek out new local, national, and international partners.
- Pray that the congregation will provide the necessary resources so that the Outreach and Missions budgets can be increased.
- Pray that more OCC members will become passionate about outreach to their neighborhoods, to the Okolona community, to the nation, and the ends of the earth.
- Pray that more OCC members will desire to serve in local outreach and missions.
- Pray that we will be able to develop more outreach opportunities and more mission trips so that more OCC people can be active participants in the Great Commission.
- Ask God to direct us towards Bible translator ministries, Okolona community organizations, and other groups where OCC can come alongside and support and encourage their efforts.

Prayer: Pray for guidance and financial resources as we seek new local, national, and international partnerships to help everyone find and follow Jesus.
